Water Project's List
(Partial List- Not Fully Inclusive of All Regional Bid-Ready Projects)
Posted September 21, 2006

ID	Agency	County	Project Name	Project Cost	Goal	Objectiv
	Statewide Significance					
1	Statewide Significance	All Counties	Upper San Joaquin Basin Storage Project to Enhance Water Supply for the State	\$1,000,000,000.00	3	A
2	Statewide Significance	All Counties	Expand Agricultural Water Use and Energy Efficiency, Diagnostic, Repair/Retrofit & Educ	\$35,000,000.00	6	A
3	Statewide Significance	All Counties	Expand Urban Water Use & Energy Efficiency Diagnostic, Repair/Retrofit & Education pro	\$35,000,000.00	6	A
4	Statewide Significance	All Counties	Regional Planning/Feasibility Studies	\$25,000,000.00	1	A
			Total	\$1,095,000,000.00		
	Regional Benefit					
5	Regional Benefit	All Counties	Support non-specified Conjunctive-Use Projects (5)	\$35,000,000.00	3	B
6	Regional Benefit	All Counties	Support non-specified recycled and inland brackish water projects (8)	\$56,000,000.00	3	C
7	Regional Benefit	All Counties	Support regional waste water treatment plants (5)	\$35,000,000.00	4	C
8	Regional Benefit	All Counties	Update San Joaquin and Tulare Lake Basin Plans	\$58,000,000.00	4	A
9	Regional Benefit	All Counties	Develop San Joaquin Salinity Management Plan	\$35,645,000.00	4	B
10	Regional Benefit	All Counties	Ensure ALL communities meet drinking water standards	\$10,000,000.00	4	D
11	Regional Benefit	All Counties	Support non-specified Ecosystem Restoration projects (10)	\$35,000,000.00	5	A
	Regional Benefit	All Counties	Friant WUA-NRCD San Joaquin River Settlement	\$1,000,000,000.00	5	B
			Total	\$1,264,645,000.00		
	Water Quality/Supply/Enhancement/Flood Protection					
	Agency					
	Fresno County					
12	Clovis/KRCD	Fresno County	Upper Kings Forum - City of Clovis	\$30,851,850.00	1	A
13	County of Fresno	Fresno County	Foothill Water Study - phase II	\$250,000.00	1	A
14	County of Fresno	Fresno County	Groundwater Monitoring Program	\$249,000.00	3	B
15	County of Fresno	Fresno County	Lanare Wellhead Treatment	\$600,000.00	4	D
16	Cutler-Orosi Joint Unified School District	Fresno County	Lovell School Safe Drinking Water Project	\$617,800.00	4	D
17	Dry Creek Rural Water Association	Fresno County	Water supply & conveyance Project	\$9,000,000.00	4	D
18	Fresno County	Fresno County	Invasive Weed Removal	\$250,000.00	5	A
19	Fresno ID/KRCD	Fresno County	Upper Kings Forum - Fresno ID	\$8,590,916.00	1	A
20	James Irrigation District	Fresno County	JID Groundwater Management Program	\$246,725.00	3	B
21	KRCD	Fresno County	Upper Kings Forum - Raisin City	\$8,646,300.00	1	A
22	Malaga County Water District	Fresno County	Malaga CWD Nitrate and DBCP Treatment for Well 3 & 5	\$1,700,000.00	4	D
23	Pleasant Valley Water District	Fresno County	Pleasant Valley Groundwater Banking Project	\$16,105,900.00	3	B
24	Tranquillity Irrigation District	Fresno County	Arsenic treatment	\$1,350,000.00	4	D
			Total	\$78,458,491.00		
	Kern County					
25	KCWA	Kern County	Cuddy Creek Restoration Project	\$2,000,000.00	5	A
26	KCWA	Kern County	Caliente Creek Restoration Project	\$17,000,000.00	5	A
27	KCWA	Kern County	Kern Co. Water Agency ID No. 3 - Kelso Creek	\$6,000,000.00	5	A
28	Semitropic Water Storage District	Kern County	2005 Groundwater Monitoring Improvement Project	\$193,061.00	3	B
29	Lost Hills Utility District	Kern County	Arsenic removal treatment plant	\$1,500,000.00	4	D
30	KCWA	Kern County	Poso Creek Flood Control Study Project	\$750,000.00	2	B
31	Lamont PUD	Kern County	Lamont Arsenic Treatment Project	\$2,000,000.00	4	D
32	North Kern Resource Conservation Distri	Kern County	On-Farm Irrigation System Losses	\$137,500.00	6	A
33	Berrenda Mesa Water District	Kern County	Surface Water Treatment Plant and Appurtenances	\$480,403.00	4	D
34	Buttonwillow County Water District	Kern County	Well #4 Tank, Booster Pump & Connection	\$650,000.00	4	D
35	Lamont PUD	Kern County	Upgrade and expand treatment plan	\$3,240,000.00	4	D
36	Shafter, City of	Kern County	Well #10 Replacement	\$769,400.00	4	D

			TOTAL ALL PROJECTS	\$4,407,786,905.00		
California Partnership for San Joaquin Valley Water Recommendations						
	Recommendation	Objective	Action Items			
	1#		Develop & Implement Integrated Regional Water Plans			
		A	Develop & Implement Integrated Regional Water Plans			
	2#		Incorporate Major Levee Enhancements in San Joaquin Valley & Sacramento & San Joaquin Delta			
		A	Significantly Improve San Joaquin, Kings, Kern & Tributaries Levee & Flood System Integrity			
		B	Significantly Improve Delta Levee System Integrity			
	3#		Augment Surface, Groundwater Banking & Recycled Water Projects in San Joaquin Valley			
		A	Complete Upper San Joaquin River Basin Project			
		B	Promote, Support, Fund & Commission Conjunctive Use Projects			
		C	Promote, Support, Fund & Commission Recycled & Inland Brackish Water Projects			
	4#		Expand Water Quality and Salinity Management Infrastructure Development			
		A	Update San Joaquin and Tulare Lake Basin Plans			
		B	Proactively Site, Design, Finance, Permit and Commission Regional Waste Water Treatment Plants			
		C	Ensure ALL Communities in San Joaquin Valley Meet Drinking Water Standards			
	5#		Promote Riparian Habitat Restoration			
		A	Develop & Implement regional Riparian Ecosystem Restoration Plan			
		B	Implement San Joaquin River Restoration (NRDC/Friant Settlement)			
	6#		Expand Agricultural and Urban Synergized Water Use and Energy Efficiency Programs			
		A	Expand Cost-Effective, Results-Oriented Agricultural Water Use & Energy Efficiency Diagnostic & Repair Programs			
		B	Expand Cost-Effective, Results-Oriented Urban Water Use & Energy Efficiency Diagnostic/Repair Programs
